**Martin Patrick Evan's (MPE)** founders bring to you almost four decades of accumulated expertise in the custom rug and carpet industry. They are experts in designing any color, size or shape for any area rug, wall-to-wall carpet or stair runner. With several thousand projects on the floor their track record with high-end custom rugs and carpets is equalled by none; their products are created with proven and tested materials, the most advance workmanship and precise execution. The result is a work of art that will bring many years of pleasure.

**Argents Express Group (Argents)** has been a supply chain integrator for MPE for the past 4 years, taking care of picking up the carpets at their manufacturing facilities in Asia, shipping them to U.S. workrooms where they are cleaned and padded, and carefully delivering the final product to the ultimate customers after properly packing them. In their never ending quest to satisfy their customers MPE has requirements that would prove impossible to many logistics providers; However, Argents specializes in unique and engineered supply chain solutions. Each shipment is specific to MPE's particular needs at the time, allowing them to depend on us to deliver their product with peace of mind. They can count on a fully flexible but cost effective supply chain, that fully adapts to each one of their needs. At Argents, we are proud to offer our customers a solution that matches their requirements allowing them to take full advantage of our years of experience without having to

conform to a previously established system. For us turning the impossible into daily reality is our business.

Martin Patrick Evan has built a name and reputation as

**"The creators of some of the most beautiful and luxurious custom rugs and carpets in the world."**

Their customers expect nothing less than perfection, and they can count on Argents to deliver it anywhere and at anytime. At Argents we understand that when we deliver their product on time damage free and clean, we are delivering more than just a rug. We understand that we are delivering their reputation, backed by years of hard work and exceeding expectations.

Argents goes above and beyond to make sure that MPE not only meets but exceeds their customers expectations every time. They trust that we understand the importance of properly representing their image allowing them to comfortably choose Argents Express Group as their logistics integrator and supply chain provider

Contact Us and let us show you how we can offer you a customized solution that not only fits your budget but delivers the image you have strived to create and maintain throughout the years.
